THE PACESETTER: With 115 employees, Cal Net Technology Group in Chatsworth is the largest IT company operating in the Valley. The company saw its employee count increase by 23 during the past year as it has expanded operations. It provides infrastructure support and cloud services for small and mid-market businesses in the Los Angeles and Orange County area. "Our ability to provide business-critical technologies is a huge driver of our growth," said Luca Jacobellis, Cal Net president.

WND - Would Not Disclose Note: The list is ranked by number of employees in the greater San Fernando Valley area. In the event of a tie companies were also ranked by total number of companywide employees. To be included on the list, companies had to be engaged in any form of IT consulting services and have facilities in the San Fernando, Conejo, Simi or Santa Clarita valleys. Information was provided by the companies themselves as well as the San Fernando Valley Business Journal Research Department.

To the best of our knowledge, this information is accurate as of press time.
