

# Leading ERP provider Faye Business Systems Group ( FayeBSG ) launches AvaTax for Sage 100 ERP. AvaTax for Sage 100 ERP is an easy-to-use sales tax calculation and filing solution that integrates with Sage 100 ERP to eliminate the hassle of tax compliance processes and reduce the risk of business audits.

Woodland Hills, California (PRWEB) June 12, 2013

Faye Business Systems Group ( FayeBSG ), a leading Enterprise Resource Planning (ERP) provider, today announced a channel partnership with Avalara (<http://www.avalara.com>) the market leading provider of sales tax and compliance automation services in the cloud. As a result, FayeBSG customers now have access to AvaTax, Avalara's solution for calculating and remitting indirect taxes that is as reliable and affordable for small to medium sized businesses as it is for large corporations.

"Avalara is really the gold standard when it said FayeBSG CEO, David Faye. " We welcome Sage 100 ERP clients more information about AvaTax which has been designed to reduce audit risk with cloud-based sales tax services. Calculating rates, managing exemption certificates, filing forms and remit payments has never been easier with AvaTax. We look forward to working closely with the Avalara team to provide a superior sales tax solution to our clients," continued Faye.

The web-based service delivers instantaneous sales tax calculations using a centrally-managed, highly accurate calculation engine leveraging up-to-date sales tax rates, rules and jurisdiction boundaries. Coupled with automated filing, remittance and exemption certificate management, AvaTax for Sage 100 ERP provides unprecedented sales tax functionality to boost business productivity while minimizing audit risk.

"Avalara is proud to add FayeBSG to the list service into the Salesforce, NetFinger, and Avalara founded broad suite of software and outsourced services provides FayeBSG customers with a single SaaS partner to manage all aspects of their indirect tax compliance process, giving them more time to focus on their primary expertise."
