FOR IMMEDIATE RELEASE:

FAYEBSG BECOMES A SUGARCRM AND SAGE ERP PLATINUM PARTNER

Exceeding year over year growth expectations for consecutive years, Faye Business Systems Group earns Platinum Partner status by both SugarCRM and Sage ERP.

Woodland Hills, California. January 14, 2014 - Earlier this year, Faye Business Systems Group was notified by both SugarCRM and Sage ERP that they have become a Platinum Partner of both companies.   As a long time Gold Partner FayeBSG has experienced exponential growth. They have recently moved into a new, larger office space, and have added head count in the areas of Regional Sales, Marketing, Project Management, Client Services and Consulting.

David Faye, CEO of FayeBSG has reinvested his company's success into the company he founded in 2009. "We were thrilled to be notified by Sugar and Sage of our Platinum Partner distinction," said David. "We carried the Gold Partner status very seriously, and now as Platinum Partner we just couldn't be more excited."

"Sage continues to work alongside Faye Business Systems Group in growing their Sage portfolio," said Robert Larsh, Regional Sales Manager at Sage ERP. He continued, "Faye Business Systems Group has continued to grow their business by taking advantage of opportunities and collaborating with Sage in selling new licenses and growing their current customer installed base."

Greg Goldstein, Director, Global Channel Development at Sugar added, "Sugar has worked with FayeBSG going on five years now and they continue to exceed our expectations. They are a top 5 North American partner of Sugar's and we look forward to many more years of long term growth. We knew this day would come, we couldn't be more thrilled that they have become a Platinum Partner."
