

## **Faye Business Systems Group (FayeBSG) is Selected As a Top IT Firm in the San Fernando Valley Business Journal**

*FayeBSG is a technology consulting and software company that has helped growing companies become more profitable by working with them to optimize their financial and business systems was recently honored as one of the Top IT Firms in the San Fernando Valley by the San Fernando Valley Business Journal. FayeBSG is listed as #7 on the list, which ranked IT consulting firms in the Greater San Fernando Valley by 2013 metrics such as revenue totals and number of employees.*

Woodland Hills, California ([PRWEB](#)) November 01, 2013 -- [FayeBSG](#) assists companies to grow by helping them assess, implement, and optimize the right software for the right task. Key software includes SugarCRM, Sage 100 ERP (Formerly MAS 90 and MAS 200), Acumatica and the development of custom software solutions. In addition to the development of industry leading integrations between SugarCRM and ERP, marketing, and credit card software solutions, FayeBSG services also include project management, software implementations, consulting, software development, training, and support.

David Faye, FayeBSG CEO commented, “We are extremely happy to make the cut; it’s a real honor to be listed among this impressive group of IT organizations. Our services cater to a range of small, medium, and large organizations offering a variety of software that will streamline their business processes, and our success measured by our clients success”.
