**Important Notice:** Tax Year 2013 is the last year we will maintain and support tax forms within the standard Accounts Payable, Payroll and Electronic Reporting modules. Filings for Tax Years 2014 and later will only be available with the Sage 100 ERP integration to Federal and State eFiling and Reporting, powered by Aatrix. The Payroll Tax Tables will continue to be maintained according to this document.

**\*\*Important Notice to Customers on Version 4.3.0.18+ or EES 1.3.0.18+:** Sage previously announced that as of December 31, 2012, we will no longer support updates, including the Tax table Update (TTU), to version 4.3. However, due to the new 2013 Medicare requirements, Sage will provide you with a 2013-Q1 TTU and a 2012 IRD in December. So you can comply with the 2013-Q1 filing requirements Sage will also provide a Form 941 update in March 2013.
