

# Faye Business Systems Group joins ServiceNow Partner Program

SugarCRM Elite Partner Faye Business Systems Group joins ServiceNow Partner Program

WOODLAND HILLS (PRWEB) MARCH 03, 2019

Faye Business Systems Group is pleased to announce their acceptance into the ServiceNow Sales Program. Membership in these partner programs authorizes Faye Business Systems Group to refer, receive training and provide implementation solutions to ServiceNow customers. Their program membership also entitles Faye Business Systems Group access to ServiceNow tools and resources enabling the company to accelerate IT service automation engagements. Faye Business Systems Group looks forward to providing ServiceNow's industry-leading products and implementations to make work better for people.

Faye Business Systems Group is a technology consulting and software company that helps companies grow by working with them to implement, customize and integrate innovative and effective business systems. Specializing in software implementations for a variety of industries FayeBSG is committed to exceeding expectations for IT Service Management focused in CSM, ITSM, HR and ITOM.

FayeBSG differentiates itself in the ServiceNow Partner ecosystem by leveraging deep business and technology experience to help clients achieve more value and deliver economic success inside and outside of IT. Our "holistic" business approach is a key differentiator that is driving Faye Business Systems Group in becoming the "Trusted West Coast Partner" to call on.
